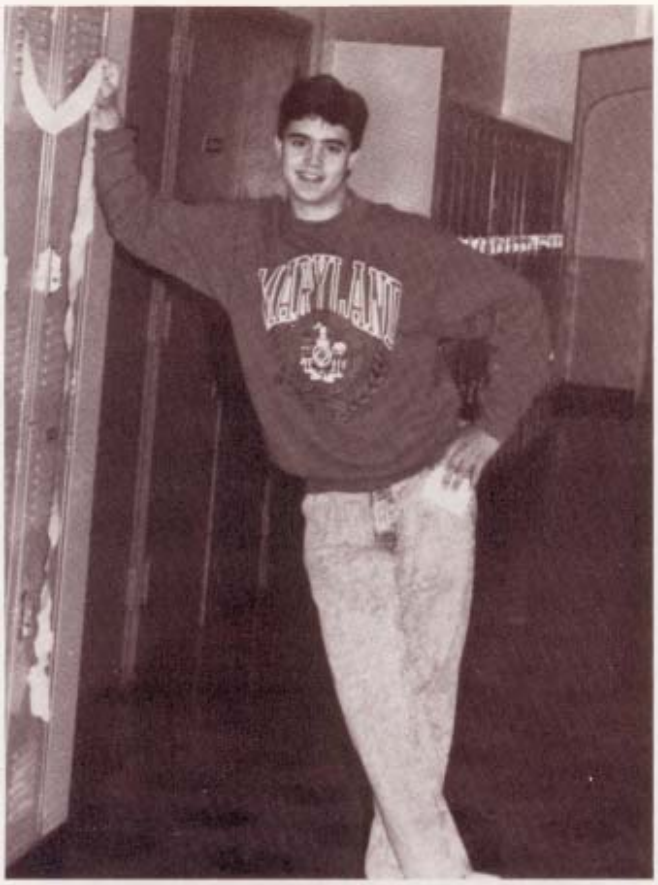
Remember Yesterday

Carmichaels Junior-Senior High School is a small consolidated school located in Southwestern Pennsylvania in Greene County. Attending the school are approximately 620 students and 50 faculty members. The school district has recently begun construction on a combined grade school which will replace the delapidated Nemacolin, Crucible, and Central grade schools.

Throughout our high school years we have strived to be individuals and find our own identities, whatever they may be. Our senior year has come and gone. With our dreams of greatness now becoming reality, we are anxious to enter the "real" world and pursue our goals. We all say we will "Remember Yesterday," all of the good times we have shared, friends we have made, and the many places we have gone together. Though our class has had its own little trials and tribulations, in the end we became one. We overcame all of the insipid high school pranks and teasers, once we realized that they were all in good fun. We also overcame the temptations that would threaten to split us apart in years to come. Whether it was electing officers to clubs or voting for various activities, we all practiced fierce competition. But the important thing was that when it came right down to it, we all won. We realized that if we worked together cooperating and working hard, resisting the prejudices that we had against one another, we could make our school a better place. Now we are only remembered faces in a crowded hallway; a hallway that once was filled with the sounds of our shouts, our laughs, our tears, and the quiet times of deep thought (or extreme laziness). These times will not be forgotten when we go our seperate ways. We will always cherish the memories of our year at CAHS.

Pictured at the top right is our Class President Mary Hanley at her locker engaged in deep thought. Below her is a scene from one of many crowded halls, which is special of our school. Pictured above is David Bogden who looks ready for anything.



Pictured in the upper left hand corner is Mike Jurczak who seems to be at ease in the Jr. High. Featured in the middle on the left, Nicole Gabeletto and Jami Diamond square off during the Student Council elections. Pictured below is Chris Clark, Bill Czyzewski, Andy Lilja, and Dan Suppok. They are relaxing after a hard lunch period.

Above is Aaron Waters and Robby Baker posing while they eat. Further up is P.J. Bogden enjoying his spaghetti and Frank Walters scaring people. In the lower left-hand corner is Tanya Adams working on the yearbook and directly to the left is Steve Bifano who looks a bit confused.

Memories of Yesterday

We chose "Remember Yesterday" as our yearbook theme because we felt it tied in with our senior class ideals and expectations. It also ties in with our class song by Skid Row, "I Remember You." We all have had a lot of good times as seniors in the past year that are worth remembering throughout our lives. Therefore, "Remember Yesterday" illustrated the idea of unity which we all have shared, and the memories which we all will share into the future. Though we each will go our own seperate ways, we are not forgetting the past, but remembering it in all that we decide to do. So when you read this yearbook, we would like you to think of it as a beginning rather than an ending of our senior days and funfilled years we have spent here.

Pictured on the left among the lunch crowd is Steve Bifano, Andy Lilja, and Bill Czyzewski. Below them are Mike Jurczak, Kristy Prohira, and Mary Hanley during Spirit Week. Featured in the left corner is Nicole Gabeletto studying Spanish. The remaining pictures are of slaves which were purchased during the Christmas festivities. Master Reynolds has his slaves, Charlene Sands and Lisa Christopher, crawl down the hall. Dave Williams pictured below is wearing his finery. P.J. Bogden, the most expensive slave sold, is also dressed for a night on the town. On the opposite page Pam Titus and Nicole Riggi are getting ready for Homecoming, while next to them Chris Clark and Belinda Pelky are painting Christmas scenes at the library. In the lower left-hand corner Shane Black is debating on whether to take books home or not.

SENIOR NIGHT

Senior Night was held October 27, ending the 1989 football season. This was a time for the senior members of the band, football team, and cheerleading squad to be recognized for their outstanding accomplishments. These students were honored for their dedicated time and hard work which made these organizations a little stronger. They were joined by their parents and friends. These memories made on that cold October evening are ones the seniors of Carmichaels High School will forever treasure.

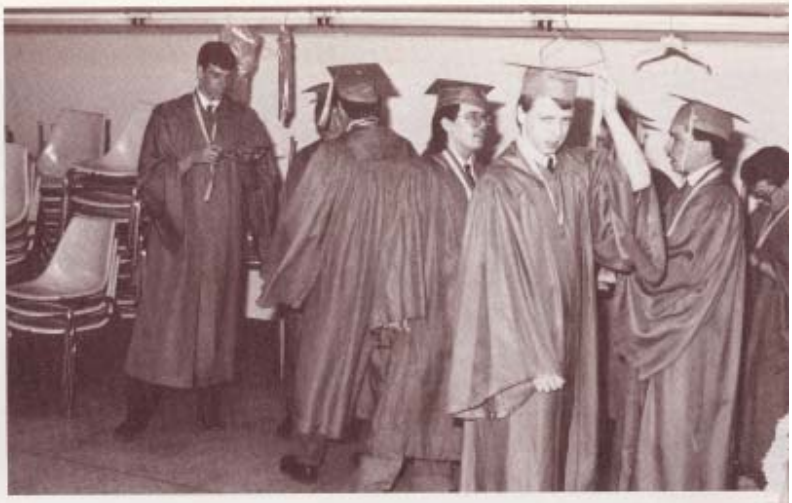
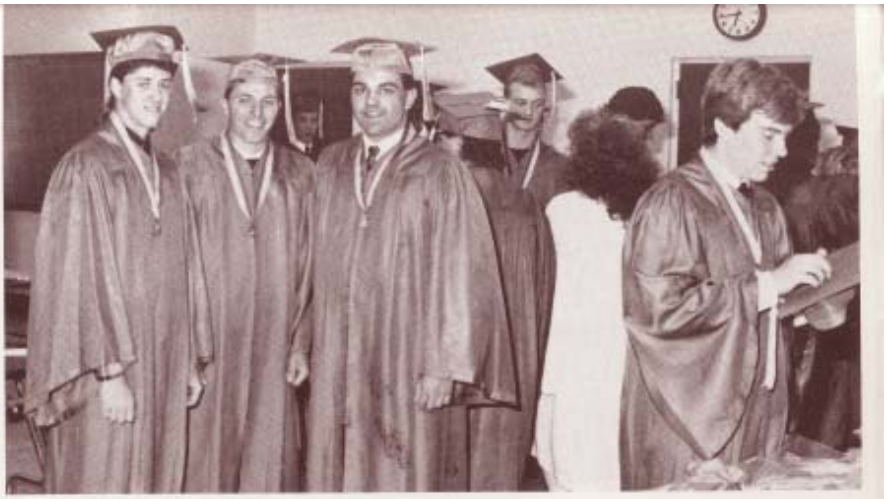
Graduation '90

On June 3, 1990 Graduation was held in the auditorium. Parents and friends gathered to watch the '90 graduating class say good-bye to one another, as well as their school and teachers. The Invocation and Baccalaureate Address were given by the Rev. James Walker and the traditional Superintendent's Message was given by Dr. Zoldos. Student Speakers included Jami Diamond and Nicole Gabeletto, who both gave Valedictorian messages, Tara O'Donoghue gave the Salutatorian speech, and the Senior Class President, Mary Hanley, gave the farewell address. After the speeches roll was taken, the "Alma Mater" was played by the Brass Choir and the Class of 1990 proceeded to leave to auditorium one final time.





Slave Day

"ONE FORTY-NINE, ONE FORTY-NINE, do I hear ONE FIFTY?" Mr. Watson, the auctioneer, called out. "YES," was the reply by Jack Maskil and his posse who bought fellow senior P.J. Bogden at the annual slave day auction. Bogden, the most expensive slave in the history of the auction, was required to do unusual requests made by his "MASTERS." Some of these requests were singing Christmas carols for all the faculty and retrieving his masters' lunches in the cafeteria. The money raised by the sophomore,junior, and senior slaves was donated to Children's Hospital in Pittsburgh.

West Virginians

The senior high student body was entertained on January 29, 1990 by the "West Virginians." The group was from Alderson Broddas College in West Virginia. The members of the group are traveling, singing, and dancing college students.

Campaign '89-90

This years' race for Student Council President was a battle. The students of the senior high had quite a dilemma when they were asked to choose between two qualified candidates. After the votes were counted, Jami Diamond emerged President of the Senior High Student Council.

WINTER ACTIVITIES

The annual Winter Carnival was held in the gym for the Junior High Students. They participated in various activities in order to raise money for Children's Hospital. At this time a Senior Girl is chosen to represent Carmichaels Area High School in the Waynesburg Xmas Parade as Miss Merry Christmas. This Year Miss Lisa Shrader was our representative.

I REMEMBER YOU — Skid Row

Woke up to the sound of pouring rain
The wind would whisper and I'd think of you
And all the tears you cried that called my name
And when you needed me I came through

Remember yesterday — Walking hand in hand
Love letters in the sand — I Remember You
Through the sleepless nights and every endless day
I'd wanna hear you say — I Remember You

Remember Yesterday — Walking hand in hand
Love letters in the sand — I Remember You
Through the sleepness nights and every endless day
I'd wanna hear you say — I Remember You

Woke up to the sound of pouring rain
Washed away a dream of you
But nothing else could ever take you away
'Cause you'll always be my dream come true
Oh my darling, I love you

I paint a picture of the days gone by
When love went blind and you would make me see
I'd stare a lifetime into your eyes
So that I knew that you were there for me
Time after time you were there for me

We spent the summer with the top rolled down
Wished everafter would be like this
You said I love you babe without a sound
I said I'd give my life for just one kiss
I'd live for your smile and die for your kiss

We've had our share of hard times
But that's the price we paid
And through it all we kept the promise that we made
I swear you'll never be lonely

Remember Yesterday — Walking hand in hand
Love letters in the sand — I Remember You
Through the sleepless nights and every endless day
I'd wanna hear you say — I Remember You

The Mighty Mike Golf team was not very mighty this year finishing with a 0-12 season. Even though they ended the season without winning a match, seniors Brian Swift and Ed Streit gave leadership to this year's young sqaud. This will encourage them to strive to win and achieve their goals next year. They look as though they will be favored next season. Mr. Stuvek summed this season up by saying, "It was a long and difficult season but everybody tried their best."

Mighty Mike Football

This year our Mighty Mikes took on a new look with the aquisition of a new Coaching Staff. John Menhart was at the helm of our Mikes, along with his two new assistants Mike Bozik and Lou Rodavich. The Mikes went 4-6 this season and had four players named to the All-Conference Team. Seniors Aaron Waters and Rob Baker, Junior Tom Davidson, and Sophmore Earl Chun made the team. Rob Baker and Aaron Waters were also honored by the Lion's Club for their outstanding playing this year. The Mikes had a winning season until the last two games, when they were plagued by unfortunate injuries. Senior Pete Stofcheck broke his ankle in the game against Springdale. Mr. Menhart summed up his first year as coach of the Mikes by saying, "The boys worked very hard and were a hard-hitting, competitive team."

Basketball '89-'90

This year the Carmichaels Mighty Mike Basketball team took first place in the Coal Bowl Tournament, which is sponsored by the Carmichaels Area Lions Club and held every year around Christmas time. Below is Kristy Prohira presenting the team with the trophy. She also presented Pete Stofcheck with the Most Valuable Player award. This year's Basketball team finished 10-10 this season. They also accomplished something that preceding Mike teams haven't done in 8 years: they brought the Coal Bowl trophy back to Carmichaels by winning the Coal Bowl Tournament. Pete Stofcheck was named MVP of the Tournament and a member of the All Tournament team along with Aaron Waters, who is pictured in the bottom right-hand corner of the page.

MIKETTES BASKETBALL

This year the Mikettes went into transition. For the first time in many years the Mikettes did not qualify for the playoffs. Senior players Heidi Rex and Mary Hanley provided leadership and experience for Mr. Dorsey's younger hoopsters. The Mikettes finished with a 7-14 record. Mary Hanley and Heidi Rex both recieved plaques for their outstanding playing during the 1989-90 season. Mary Hanley also received a plaque in the Beth-Center Christmas Tournament and was named to the All-Torunament Team. CHS Matmen

This year's wrestling team finished 4-7 in the section. All of the Mighty Mike Matmen tried their hardest, but couldn't pull off the upsets they needed to finish at the top. There were some bright spots in the Mikes' lineup as Scott Grosholz and Earl Chun both finished with impressive 17-6 records. Alex Uveges was a section qualifier and should have wrestled at Regionals. Unfortunately, he was unable to attend. Most of the wrestlers were Seniors, but did not have the necessary experience or the time to mature. Overall, the team worked hard and are expected to come around in the near future.

MIKES BASEBALL '90

The 1990 Mikes baseball team was very successful this year as they push for a berth in the W.P.I.A.L. playoffs. Seniors Pete Stofcheck & Jack Maskil provided excellent pitching as they teamed up with other seniors, Aaron Waters & Mike Jurczak, junior Tom Davidson, & sophmore Jason Whipkey to bring runs across the plate on the offensive side. Mr. McCombs said "It has been a fine year led by outstanding seniors & a fine crew of underclassmen." We would like to wish the boys luck as they finish their season. To the left is Aaron Waters who takes home as Tom Davidson watches.

Talent, Poise, Competition

The 1990 Coal Queen candidates were all extremely qualified, but the judges had to narrow down the field. The judges picked four girls: one representative, one alternate, and two girls for the Court.

Our 1990 Carmichaels Area High School Representative is Miss Jonella Wozny. She performed the vocal selection "What I Did For Love" from "A Chorus Line." First runner-up, Janel Baily performed a dance selection for her talent competition. If Jonella is unable to fulfill her obligations as representative, Janel will take over as the new representative. Jonella will now compete for Coal Queen in August.

Kristy's Night In The Spotlight

Kristy Prohira represented Carmichaels Area High School this year in the annual Coal Queen Pageant on August 20,1989. She performed an acro-jazz dance to "China Nights" which won her top talent honors. Kristy was also top Bond per Cure winner.During her reign as representative of C.H.S., Kristy participated in many functions such as: A luncheon with all other candidates at Carmichaels Pool, The King Coal Show parade, Waynesburg's Campaign against heart disease, and presented awards to the MVP at the King Coal Xmas Basketball Tournament.An additional honor was a request by the judges to enter the Miss Teen PA Pageant.

Homecoming Kickoff — 1989

Weeklong activities prepared students for the grand finale, HOMECOMING, during the third week of October. Students dressed in different everyday attire to increase spirit and attitudes about school. Some alternative dress styles were: farmer outfits, camoflauge, blue and gold, and sweatshirts. The most appropriate to Homecoming seemed the sweatshirts with college names, whereby people could display their allegiance to their favorite team. This special day even gave the teachers a chance to "ditch" their formality in attire to display their alma mater or favorite team.

Cold, bitter weather arrived on the evening when the traditional drive around the track inaugurated HOMECOMING '89. Friday evening, October 20, 1989 marked the game between the "MIGHTY MIKES" and SPRINGDALE. The customary procession down the fifty yard line began and concluded with Queen, Pam Titus, being crowned by Aaron Waters; Jack Maskil then presented her with roses, and fellow senior football captains P.J. Bogden and Robby Baker congratulated her. Following the game the annual Homecoming Dance was held in the gym to the theme "HEAVEN."

"WHEN I SEE YOU SMILE"

With a vision of a fairy-tale, sophomores, juniors, and seniors came anticipating a memorable evening at the 1989 CINDERELLA BALL. The Ball was held November 11, 1989 in the school cafeteria which had the admonition of "Camelot." D.J. Mark I provided music for the evening.

After a few hours of dancing and socializing last year's Queen, Tanya Adams, and King, Bill Havyer, crowned their successors, Dawn Voytek and Rich Burkholder. As this special evening came to an end, the excitement and jitters would remain in the memories of all who attended the 1989 CINDERELLA BALL.

Drama students took to the stage to perform Charles Dickens' "Scrooge!", one of the classic Christmas stories of all time. Directed by Mr. Neroni and with the help of music directors Mr. Craig and Mr. Baily, and choreographer Kristy Prohira, the cast created a memorable show. Charles Sands dazzled the audience with a fine performance as Ebenezer Scrooge. The cast and crew worked long and hard to get ready for their opening which was for the elementary students. The cast often rehearsed late into the evenings as well as on weekends.Judging by the results, the work was well worth the effort. The show was performed December 16 & 17.

The National Junior Honor Society consists of eighth and ninth grade students. There are certain qualifications one has to meet in order to be a member of this prestigous organization. The NJHS stresses more than grades. One must also have the ability to show leadership, service, character, citizenship, and scholarship.

Many people wonder what activities the NJHS are involved in. We spoke to Mrs. Swestyn and found out just what the members are doing for our community. This year, the NJHS were involved in collecting clothing and toys for the community food bank during the Christmas season. To show their care for the kids at Childrens Hospital, they donated two dozen stuffed animals. Their efforts were grately appricaited by these organizations.

The students must maintian a 3.5 gpa, which causes pressure among the students. When they overcome this pressure, they become true National Junior Honor Society members.

Halloween and Christmas Dances

THE TERROR. . .
THE THRILL. . .
THE DANCE. . .

The fall season brings about changes in nature where visible things take on different appearences. On the night of October 28, 1989, the junior high students went to the annual Halloween dance. It seemed to be affected by the seasonal time. The gym was transformed into a thrilling sight, with decorations depicting scenes of witches, coffins, goblins and other spooky creatures.

The Jr. High Christmas Dance was held on December 9,1989. The students rocked around the Christmas tree to the tunes of D.J. Master Blaster.

Before the dance, the Christmas Court was presented to the public. The Queen was Patty Onderko and the King was Sheldon Chun. They were accompanied by their court: Amanda Batis escorted by Charles Kozlowski, Buffy Burch escorted by Jeff Nichlos, Heather Harrison escorted by Jim Miller, Amy Yuras escorted by Zef Jetten, Melissa Jones escorted by David Koratich, Kim Kachersky escorted by Dave Ludrosky, Cindy Rominakis escorted by Ryan Christopher, Beth Wooten escorted by Brian Schaum, Regina Clark escorted by Bob Domin, Yvonne Garrison escorted by Jason Diamond, Holly Riffle escorted by Brian Hanko, Amy Wolfe escorted by Tom Ricco.
